ORDER:

In the letter third read above, the Chief Executive Officer, Andhra Pradesh Livestock Development Agency has informed that in order to deliver better services to the farmers, based on the recommendations of the Expert Committee constituted for reorganization and strengthening of Area Livestock Development Associations (ALDAs) and A.P. Livestock Development Agency (APLDA), Government desired to make certain changes in the composition of Area Livestock Development Associations and A.P. Livestock Development Agency. These proposals have been accepted by the Executive Committee of APLDA. The Expert Committee also recommended that the representation of Dairy farmers especially from organized Dairy Cooperative Societies will help the ALDAs in better implementation of cattle breeding activities in the State and the representation from SCs, STs, BC and Minorities (both men and women) shall be considered only from the Dairy farmers.

2. The Chief Executive Officer, A.P. Livestock Development Agency has further informed that the three years term of most of the ALDAs period will be expired shortly. Hence at this juncture instead of conducting elections to the ALDAs, it will be better to proceed with the present body till the reorganization process is completed and reconstitute the new ALDAs and APLDA according to the new byelaws to be adopted. Hence he has requested the Government to consider extension of the tenure period of the Area Livestock Development Associations from the date of expiry for a period of six calendar months or till the completion of the reorganization process, whichever is earlier.

3. After careful consideration of the matter and in accordance with the byelaw 9.0.0 of Andhra Pradesh Livestock Development Agency issued in the reference first read above, Government hereby accord permission for extension of the term of the following Area Livestock Development Associations (ALDAs) for a further period of six calendar months from the date of expiry or till the completion of the reorganization process of Area Livestock Development Associations and A.P. Livestock Development Agency, whichever is earlier:
